Subject: Request for Surety Document CD Agreement Letter, West Desert Granite LC, RDS 502 Mine, M0230067, Juab County, Utah

Dear Mr. Finnegan:

In early December, 2006, Ms. Beth Ericksen, Surety Coordinator, was working with Wells Fargo bank on a certificate of deposit in the amount of \$33,250.00 as reclamation surety. As of today, the paperwork required to complete the bank portion of the surety process remains incomplete. The Division requires the CD Agreement Letter, which is pending due to a question regarding the bank signatory. Mr. Matt Chandler, Personal Banker, indicated he had signatory authority, however, this information has yet to be confirmed. Division inquiry about who the bank signatory shall be has been directed to Ms. Laura Shephard, Manager of West Jordan Wells Fargo. However, the Division has not received her reply.

Once the Division knows the name of the bank person with signature authority, the CD Agreement Letter will be prepared by the Division and emailed to the bank. Please inquire with the bank and let the Division know the name of the bank employee with the appropriate signatory authority so the CD Letter Agreement can be completed. You may provide this information via email, bethericksen@utah.gov and/or telephone, Beth Ericksen, (801) 538-5318.

The Division can take no further review action until this important document is finalized. Please ensure this action gains your prompt attention so this permit is in compliance with state regulatory requirements.

Please contact the Division if you require assistance with the completion of the surety requirements and/or with questions.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
